

shape our future

big visions for a sustainable Australia

Exciting Sustainability Internship Opportunity

Are you keen to gain experience in the sustainability field?

Want to be part of ethical, sustainability based projects and developments?

Looking for a flexible internship where you will learn and develop skills?

Want to be part of a growing not-for-profit and help shape our future?

Would you like to make a real difference, gain invaluable experience and meet likeminded people in the process? **This is your opportunity.**

Geoff Gourley is one of Australia's leading social entrepreneurs and sustainability leaders. His progressive not-for-profit, Shape our Future, is leading the way by developing innovative projects aimed at creating and shaping a sustainable future.

Geoff is currently on the look out for students or post graduates from a range of backgrounds such as education, environmental science, business, law, information technology, communications, and marketing to take on flexible internships from **July to September 2009 and October to December 2009.**

Projects proposed to be undertaken during the 2009 / 2010 Internship Program.

- Development of an Eco Retreat and land & habitat regeneration program
- Sustainability Community Centre business model
- Sustainability Education program for Youth
- Regional Sustainability Festival
- Documentary tracking selected projects
- On line web 2.0 Sustainable Business and Carbon Emission Reduction Program

Benefits of joining the 'Shape Our Future' 2009 / 2010 Internship Program include:

- Application of knowledge to real projects that will make a real difference in sustainability, environment and community
- Mentoring from skilled professionals in the field
- Meeting and working with like-minded people
- Opportunities for growth and learning new skills
- Experience to add to your resume
- Flexible days/hours

Shape our Future is looking for:

Enthusiastic, committed individuals with a passion for sustainability, and well developed verbal and written communication skills. Applicants must be able to use their initiative, and work well both independently and as part of a team.

Time commitment 2009

First round of internships start at the beginning of **July 2009** to be completed by the end of **September 2009** with a second round starting **October 2009** to be completed prior to Christmas **December 2009**.

Internships work hours are flexible but as a guide, 10am-6pm four days a week. Interns must commit to attending the entire 3 month period of the internship. Options exist to follow into the second round internship but this is not mandatory.

Applications
